ADDENDUM No. 2
November 3, 2020**

- A. Addendum No. 2** is issued as part of the Contract Document, to inform and/or specify changes, which take precedence over information contained in the original Contract Documents. Unless otherwise specifically noted or specified hereinafter, or shown on drawings or schedules accompanying this Addendum, all work required by this Addendum shall conform to the applicable provisions of the Contract Documents. **It shall be the responsibility of the Respondent to include in their proposal any cost implications of this Addendum. All Respondents are to indicate on the form of proposal submitted by them, acknowledgement of receipt and compliance with the contents of this Addendum No. 2.**
- B.** Any provision in any of the Contract Documents, which may be in conflict or be inconsistent with the contents of this Addendum, shall be void to the extent of such conflict or inconsistency.
- C.** The following clarifications/answers are provided in response to questions provided by potential bidders or for clarifications issued by the Owner:
- C.1.** A question has been asked: What line items does the Contractor gets paid for when placing structural fill? Answer: When the Contractor is placing structural fill (Item 2120), they will also be paid under Excavation (Item 2100). Item 2120 is just for the compaction effort and items related to structural fill. The excavation and haul is covered under Item 2100. Item 210 is paid by survey of in-place fill, and Item 2100 is paid by survey in-place excavation.
