

**Southeastern Chester County Refuse Authority**

**Addendum #1**

**Purchase of refurbished Caterpillar 826H landfill compactor**

*This Addendum No. 1 modifies the original bidding Documents and is issued to all prospective bidders. This Addendum is hereby made part of the referenced Bid Documents. The Bidder shall acknowledge this Addendum in the Bid Form.*

A potential bidder contacted SECCRA with some questions about this bid and requests for clarification. The following will provide answers to these questions, supply clarification, and are shared with all bidders.

*Paraphrased Question: What kind of wheels are required for the refurbished machine?*  
Any wheel in good condition with landfill-style cleats are acceptable.

*Request for clarification regarding Section 3.4 of the specification:* Section 3.4 was inadvertently included in the original bid package. Please disregard Section 3.4 in its entirety.

In addition, there were several suggestions on changes to the Technical Specifications, however SECCRA is choosing not to make any changes at this time.

Addendum completed by: Scott Mengle, Administrative Supervisor, January 2, 2013
